Directors Report - John

Anniversary of the passing of Glen Rohl. –

To our dear friend, you may have purchased you Harley-Davidson from him. Great man told it has it is, I can hear you say “You dickhead John why are you talking about me” I just was amazed that Glen knew pretty much every Harley bike in Rocky, when we were out on a ride having an ice cream before the bikes ride past, he knew who’s rising the bike by the sound of their bike. We all have plenty of stories about Glen, which we can share later.

Ride Free Glen
