Sponsoring Dealer RHD

Geoff – Normally it takes 2 years to organize for a rally and Neville and George have done amazing work to get us this far

The Dealership is excited to be included in this 5-year event and will do the best for the rally and believes this will be a fantastic event and wants everyone to be involved.

The store cannot open on gazette holidays (but is applying for an exemption) and will be staffed on most days. The store is extremely busy with a lot of parts on back order.

Caroline has retired and Di has shifted to the finance area.

Damian has joined as a new mechanic and Jay as the Parts & services manager.

The Pan America has launched and there will be other new HD bikes to launch and the new Revtech motor is amazing.

Will have the Van or a car and trailed following the rides in case of breakdowns.

Geoff adv if there are any problems to see him for help

Rumble Inn -

George adv that with Caroline moving on from Rumble inn committee, he had to take over as treasurer asap due to the difficulty getting the EFTPOS started and is working through this. Sue Schluter and Caroline are signatories for account and there will be a casual vacancy for role.

Bar prices will increase during rally by \$2.00 per item to limit undercutting the bar licensee for Rocky Nats.

– Any questions see George

Merchandise – Chapter Shirts have been ordered and invoices sent out to members

Xmas event committee - TBA

Inward correspondence - Nil

Outward correspondence – Nil

Past General Business completed -

General Business-

Laurie has resigned as President and John Milios has stepped into the position
Greg Rogers is now the Deputy President and Treasurer

Neville - Rocky Nats/Rally Update – George is working on the schedule for local rides. There will be 3 rides happening at the same time to different locations

Thunder run has 246 registered HOGS and 40-50 other riders

Volunteers – need when available to work with Thunder run, Burn out, games, dinner etc. – sign-up sheet with Nev

Still looking at sites for rides and poker run. More information to come for rides and maps

Thunder run route will be advertised for support and viewing with the map in the pack.

Hotels are full but camping is still available

Covid 19 plan is under RockyNats and the Rumble Inn has its own plan

George – Chapter shirts have been ordered and will need to be paid for asap

John – For the 30th anniversary event at Woodgate, we will be looking to ride down as a group and will do rides around the area once there – there will be a “naughty (90’s) Nighties theme”

Will need to do a working bee to clean up and decorate the Rumble inn

Big Thanks to Nev and George for organising the Rally
